This is
quite a familiar face.

...It's been a while, hasn't it?
I hear rumors about you too...
...I knew
the one who bought this girl was you,
King Aleph.
such as one about a slave girl entering your harem.
...A voice I remember...
This is a dream.
There's no way this can be.
because my life in the neighboring country is a thing of the past.

I am no longer that man's slave...
I am now...!
Mishe!
!
ishe
...Prince Kallum...
...Thank goodness you're all right...
Are you hurt?
SQUEEZE
It's warm...
I feel calm...
...My body...

...It kinda feels like my scalp is being peeled off...
groggy
Nnn... What are you doing?
rub
I'm rubbing away the dirt.
Th-that's enough. I'm fine.
I haven't wiped it all off yet.
Whoa!
(Opened her eyes.)
I said I'm fine...
I mean, you're too close...!
PAIN!
Covered in wounds
Ugh... I hurt all over...!!
LADY !!
TUPI TUPI
STOMPING
FINISHING BLOW!

Oh!
Alicia!
TH-
THANK GOOD-NESS YOU'RE ALIVE!
I'm fi-
fine. Look! See, I'm fine!
Ouuuuh
...THAT'S RIGHT.
I LEARNED THE CHIEF WAS SECRETLY SELLING CHILDREN FROM THE ORPHANAGE,
AND THEN AFTER RESCU-ING ALICIA, I FELL OFF A CLIFF
"Earlier, several kids left here.
I heard the chief found new families for them."
...BUT
Gasp!
I'm relieved.
You're safe...

You are going to go back and let a doctor examine you.
At any rate, I'm going to the secondary residence.
If you're going to talk nonsense, do it from an infirmary bed.
I'm going too.
"Or something else"?
Yeah, I hope they aren't hurt.
Yeah, or something else...
What else could happen?
zzz
...You're still hiding something, aren't you?
whispering
...Chief, the children in the ruins...
Shh!
Yes.
I'm sorry for the wait.
Now then, shall we return to the palace?

The person who took me in and values me.
...Or
I can't tolerate a person who understands nothing of the pain of being cast away speaking ill of Prince Kallum!
BURN
so you'll come to understand a bit of the pain...?
should I remove one of your ears
...The person the chief was doing business with was you, wasn't it?

Do you know where the children are?
Prince Kallum,
showing rudeness toward the King is
It's fine. We're old friends.
Ask the Chief.
I withdrew from the transaction
I no longer have any connection.
clench
...I don't know what your situation or objectives are, but
I want you to remember that
there are victims.
...So now you're speaking pretty words, but
are you speaking of the children?

Or
of that girl?

Pardon me, but it's an emergency...
There's another location in the ruins at the foot of the mountain.
The children are located in two places!
Faster—
...What's the situation in the ruins?
There are several subordinates and children.
From the start, a slave trader was scheduled to take them at dawn.
Then I'll head to the ruins.
Mishe, you...
There isn't enough time to get to a town
?
GALLOP

...I can't let you go off on your own again.
We're out of time so come with me.
YOINK!
Whoa!
"...when I like someone,
I never let go."
...O-
Okay!
Hug!
What?
You're being unusually proactive
While you're at it, hug me closer.
Your breasts aren't touch--
LET ME OFF RIGHT NOW!!

...For now,
the enemies have been completely dealt with.
You're strong.
Were you trained?
They were easily dis- u patched...
I learned the usual: some swordsmanship, martial arts, and the like.
...But
Take care of the rest
Yes!
no matter how strong I am.
swip
it's useless if I can't protect what must be protected.
STAB!
you're bothered because you weren't able to save me?
... Perhaps

Was more effective than the usual slap in the face.
Bullseye
Uh, am I right?
But falling off the cliff was an accident...
Idiot,
if you had fallen into the wrong place, you'd be dead.
You couldn't have been saved if you had fallen that far down
Fell to here
Abyss
I caused you to get hurt.
Can I cast this off as just an accident?
Look!
I said my body is fine!
And
you have protected me enough times up until now.
After falling from the cliff,
I felt like I was having a bad dream.
But when I awakened, I was relieved because you were there.

...So thank you,
um, for being at my side...
SNEER
SNEER
For once, you're being honest.
You were down, so I cheered you up!
I'll give you that one, ...but
I don't believe that you are as "fine" as you say.
WAIT
Now then, shall we go?
The children are underground.
You mean GO LIKE THIS?!

What?!
Perhaps he's doing this to distract me.
GRAB
Oh.
Just by doing this, you're unable to think about anything but me.
chuckle
It's because you're a child

FLINCH!
...It's a shame, isn't it?
I'm not a child who would be flustered by that move.
That was rude.
Then shall I put you to a test?
...It's strange.
flustered
DON'T BE SILLY! HURRY UP AND GO!
I'm not scared at all anymore.
KA-CHAK

WHAP
swip!
We found them!
We've come to rescue you!
Hey!
TUP!
Let's hurry and get out of here...

Huh?
Why?
Prince Kallum!
I'm not hurt. Don't panic.
I didn't expect them to be this on edge.
Don't carelessly approach them.
Huh?
What's the meaning of this?
You coming to save us is a lie.
The chief said the same thing,
and then imprisoned us here.
You're going to sell us, aren't you?
...You're lying.
...I don't

believe anyone anymore!
Don't come any closer!!
"I don't trust royalty anymore"
I know these feelings.
This is what Prince Kallum was worried about.
...I'm sorry, Prince Kallum.
I want to save these children
like you saved me.
I'm going to approach them.

Mi—!
STAY AWAY FROM ME!!

GAPE
...At the time when
I was like you children.
the same was done for me.
I do this because I want to be your friend.
Because it was shown to me through actions and words,
I came to believe
gently touching
and looking a person directly in the eyes when talking to them
are proof of respect and affection.
...You're safe.
There's nothing to be scared of anymore.

You've done well withstanding this much for so long.
It was painful, wasn't it?
...But you don't have to worry anymore.
Let's leave together.
This is how
I was saved by
and attracted to Prince Kallum.
Lead the children out
Yes

But still

it hasn't completely disappeared.

Augh!
STRUGGLE? WHAT ARE YOU TALKING ABOUT?!
Hey!
I'm not looking, so don't struggle.
TOSS

It's going to sting a little.
Cover yourself with this and then turn your back toward me.

I'm embarrassed it hurts

What about this is "fine"?
Just as I suspected, you're covered in wounds...
Later, I'm making you see a doctor
It's salve for your wounds.
I'll apply it to your back and you can put it on the rest of your body
...Ow!

most of them have almost disappeared,
but there are lots of really old scars.

What?

Aah.
gasp
YES WHEN YOU DO LOOK CLOSELY, THERE ARE SOME SCARS LEFT
OH DEAR!
Aah.. ha ha...

"In order to make her into a useful tool,
I disciplined her.
I discarded her when she was no longer necessary."
...However,
Listen,
I was a slave for a long time, and many things happened.
But that's already in the past...
"It's as you say.
I bought that girl."

"After all this time, I have no interest in her."
...Prince Kallum,
those children also will probably never forget.
it's not something I can easily do...
WHAT REMAINS
Like when I had that dream,
I wonder if they will remember and get scared.
ARE SCARS THAT ARE EVEN ETCHED INTO MY HEART.
...Even though I want to forget,
...The memories,
along with the wounds, will eventually disappear.
!
Uh... um,
Prince Kallum?!
From now on,

the only marks that will be left on you will be the ones I make.
They are turning into heat.
One by one,
Prince Kallum is repainting
all of the past's pain.
I can't
TAKE IT ANY-MORE !!
WHACK!
KOFF
Prince Kallum.
What you asked me to prepare is ready...
ELBOWED
Really?
Put on your clothes
Then
let's go see the children's smiles.
Hooray! Hooray! Squee! Squee!

TA
DA!
It's an extra-large house made of candy for the orphanage children.
It happens to be a reward for the treasure hunt that took place earlier
You came, slave!
THEY'RE EATING IT HERE?!
There's a reason they are eating it here.
The scary memory will be softened
if I paint it over with a good memory.
Aww
...I'm sure
they'll remember
the good time he gave them.
No fair; you got the easy part.
Well,
thanks to you winning them over, I didn't have to.
I'll give you a little praise.
JAM!
